

CAPABILITY STATEMENT

About Us

Marte Energy is an Aboriginal Indigenous owned Company with global presence and local offices in Newman, Perth and Kalgoorlie, Western Australia.

The company is a leading provider of Project Delivery, Project Management, Engineering Design, Supply Chain Services and Statutory Inspection Services.

Marte Energy specializes in serving key industries, including mining, oil & gas, and power generation, delivering tailored solutions for complex challenges.

With a strong commitment to innovation, quality, and client satisfaction, Marte Energy supports projects from concept to completion, ensuring sustainable and efficient outcomes.

Our proven expertise guarantees consistent delivery of successful and high-quality outcomes for our clients.

Why Choose Marte Energy

Experienced Professionals: Wealth of industry expertise ensures customized, cost-efficient, and HSE-compliant solutions.

Cutting-Edge Technology: Our engineering team leverages the latest technology and methodologies.

Proven Track Record: World-class delivery and a history of successful projects.

Client Commitment: Focus on responsiveness, flexibility, and long-term partnerships.

Business Results: Dedicated to delivering measurable value and outcomes for our clients.

Our Vision

We will build a strong partnership with our customers by delivering effective solutions through our team of empowered and committed individuals, whose behavior and decision making are shaped by our core values.

Our Mission

Our mission is to leverage every opportunity to supply services in the Mining, Oil & Gas, and Power generation industries while channeling back for the benefits of Aboriginal community and people can be the drivers of our own destiny.

Our Values

Marteq Energy is founded on a strong belief in our Core Values. These Core Values drive our people and underpin our corporate goals. Our values are:

- Provision of a safe, healthy & hazard free workplace
- Our clients are the cornerstone of our success, guiding our every action.
- Commitment to innovation and quality
- Our people are our asset.
- We conduct all our operations with integrity and honesty.
- Respect for people, community, environment and heritage

Our Values support our Vision, “to be a market leader in safe, quality, and cost competitive and timely engineering solutions to the global mineral processing market”

President Message

We acknowledge Aboriginal and Torres Strait Islander people as the Traditional Owners of Australia. We respect the significance of the Traditional Owners connection to Country, language, family, and community. Marte Energy pay respects to all diverse Aboriginal and Torres Strait Islander cultures that exist throughout stralia and respects all past, present, and future Elders.

What We Do

Indigenous Engagement

Marteq Energy is dedicated to building a sustainable Indigenous workforce by fostering strong relationships, developing core skills, and promoting from within to align with our vision and values. We continually strive for improvement through engagement to achieve the best outcomes.

Marteq Energy's core work is a balance of

Indigenous Services

The procurement process can be complex and overwhelming for suppliers. We aim to simplify the process by being the voice that connects you with the people.

We develop Aboriginal Participation Strategies from the ground up, including organisational culture, community engagement, business engagement, employment and retention, and training and development.

We also assist on an advisory basis for project specific requirements including coordination, community engagement, Aboriginal business management and facilitation with Native Title holders.
