

# Capability Statement

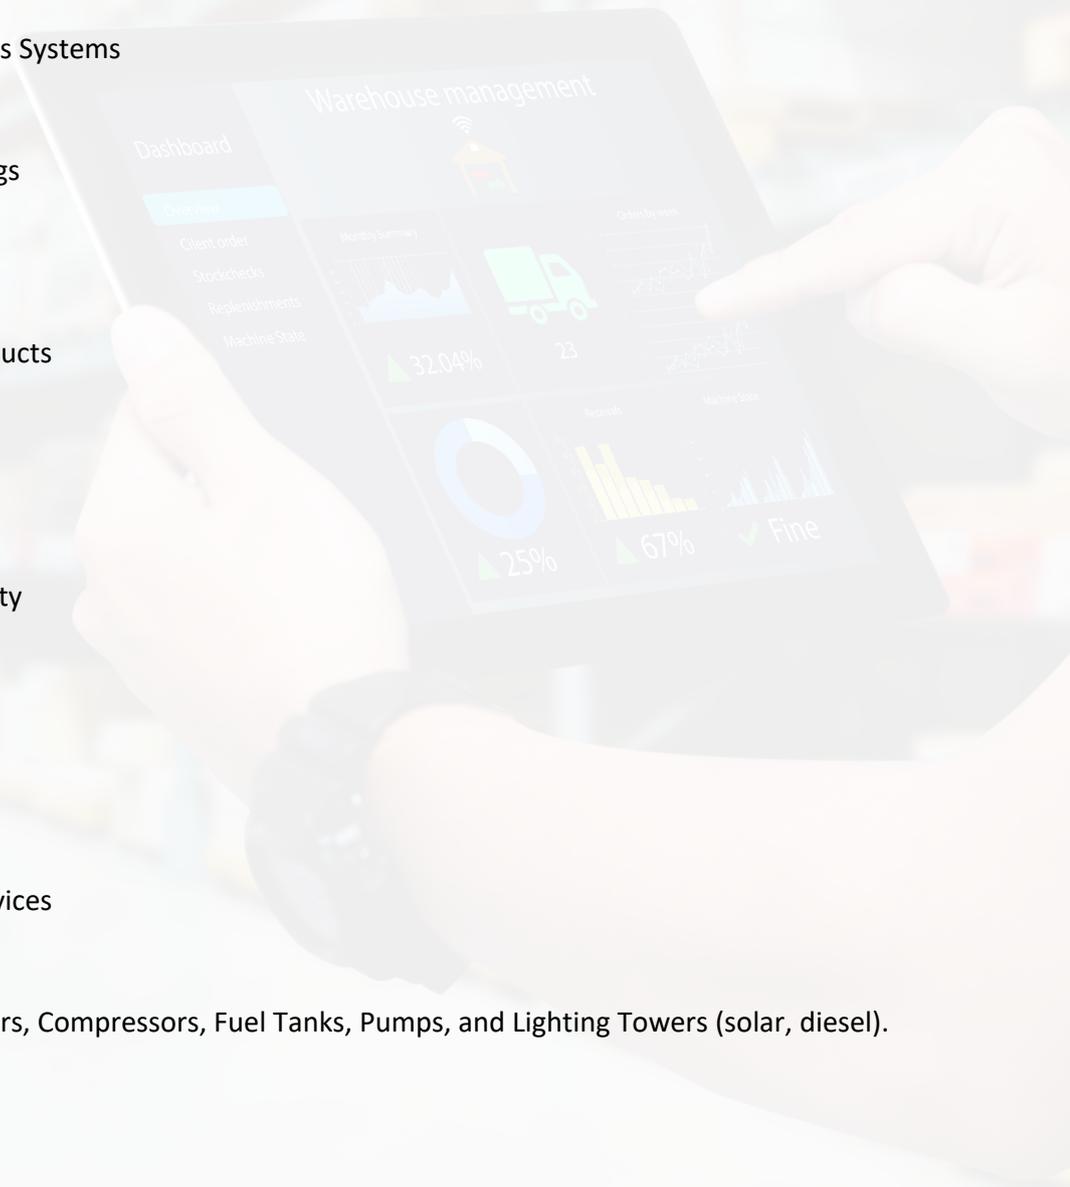

**SUPPLY CHAIN, RENTAL & HIRE  
SERVICES**

MARTEQ ENERGY has excellent vendor relationships/association with technology partners supporting quality, value-add solutions and innovation:

## SUPPLY CHAIN, RENTAL & HIRE SERVICES

- Stand Pipe System
- HDPE Pipes, Fittings & Accessories
- Rental/Supply of Generators Systems
- Supply of UPS Systems
- Specialized Pipes and Fittings
- Valve for Marine
- Pressure Product
- Sensor and Measuring products
- Hydraulic Products
- Electrical Products
- Pumps
- Fire Detection, Marine Safety
- Automation System
- Mechanical Seals
- Ropes and Wires
- Sign board and Art work
- Transport and Logistics Services
- Onsite Fuel Refuelling
- Rental services of Generators, Compressors, Fuel Tanks, Pumps, and Lighting Towers (solar, diesel).

# SUPPLY CHAIN, RENTAL & HIRE SERVICES

At MARTEQ ENERGY, we prioritize efficient supply chain management, fabrication, and reliable equipment rental to support mining, oil & gas, and power generation projects. Our strong vendor relationships and technology partnerships ensure cost-effective, high-quality solutions, enabling seamless operations and timely project delivery.

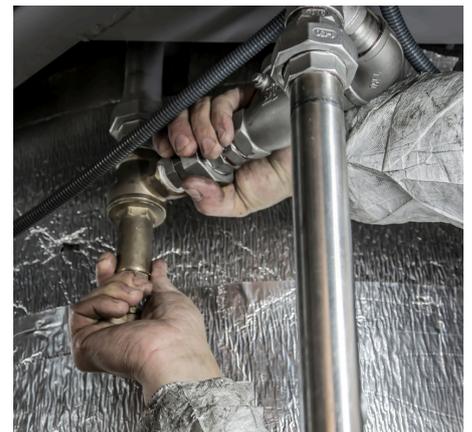

## 1. Stand Pipe System

We provide high-quality standpipe systems for water management in mining operations. Our systems are designed for efficiency and durability, ensuring reliable water delivery in harsh environments, while supporting operational continuity.

## 2. HDPE Pipes, Fittings & Accessories

Our supply of HDPE pipes, fittings, and accessories offers flexibility, strength, and resistance to corrosion, making them ideal for transporting fluids and gases in mining, oil & gas, and power generation projects. These durable materials guarantee long-lasting performance.

## 3. Rental/Supply of Generator Systems

MARTEQ ENERGY offers rental and supply services for generators, ensuring a reliable and continuous power supply to your projects. Whether for short-term or long-term needs, we provide high-capacity generators to keep your operations running smoothly.

## 4. Supply of UPS Systems

To safeguard your critical systems and equipment, we provide uninterruptible power supply (UPS) systems. Our UPS solutions ensure that your operations remain uninterrupted during power outages, protecting your investments and preventing costly downtime.

## 5. Specialized Pipes and Fittings

We supply specialized pipes and fittings that cater to the specific requirements of your operations. From custom materials to high-performance solutions, we ensure the reliability and efficiency of your pipeline systems in even the most demanding environments.

## 6 . Valves for Marine

We supply all kind of vales for Marine and Offshore Industries. We are working with leading manufactures. We supply Ball valves, Gate valves, Globe valves, Check valves , Butterfly valves,Stainer valves, Safety Valves and API Standard valves etc.,

## 7.Pressure Products

We Supply all kinds of Pressure Products and working with manufacturers and to ensure our customers.Pressure products including : Chart recorders, Pressure gauges, Pressure switch, Pressure Transmitters, Hydraulic Pressure pump, Pressure calibrators and all pressure accessories.

## 8.Sensors and Measuring Products

We Supply all kinds of sensors and measuring products for Agriculture and Marine and Offshore Industries. This product includes : Heat Flux , Solar Radiation and thermal conductivity. We design and supply standard and custom made sensors and test measuring systems

## 9. Hydraulic Products

We supply all kind of hydraulic products and accessories for marine and offshore Industries. We are working with leading manufacturers and distributors to ensure our customer have access to range of products including: Hydraulic valves, Hydraulic cylinder, Pumps, Joystick, Hose accessories- Fittings , Adapters, Filters, Ferrules and etc.,

## 10. Electrical Products

We Supply all kinds of Electrical Products and accessories. This products includes Marine cables, Offshore cables, Industrial cables, Cable accessories, Marine data and coaxial cables, Armored Gland , Un Armored Gland , SS Gland, Adapters & Reducers , ATEX Sounders & Beacons , Alarms & Signaling Equipment, Shipping Horns, Battery Chargers and Accessories, Switch Board Controls & Automation.

## 11. Pumps

We Supply all kinds of pumps and Accessories for Onshore and Offshore Industries. Like including : Centrifugal pumps, Twin Screw Pumps, Vacuum pumps and systems. Overhung Pumps, between bearing pumps, Positive Displacement Pumps etc.,,

# SUPPLY CHAIN, RENTAL & HIRE SERVICES

## 12. Fire Detection, Marine Safety

We supply all kind of Marine Safety, Fire Detection & Suppression Systems for Onshore and Offshore industries. CO2 Systems, Mist system, Clean Agent System, Dry Chemical System, Foam system, Fire Extinguishing System, Fire Alarm and Detection systems, Navigation and Safety, Fire and Gas System, Life Boats, Fixed flame detectors, Oil spill Response kit etc.,

## 13. Automation System

We Supply all kinds of Marine Instrumentation and Automation systems for Onshore and Offshore Industries. Integrated systems, CCTV, Entertainment system, Helideck Monitor System, UHF and VHF System, PABX , PAGA, LAN, GMDSS, TVRO Systems, met ocean and Metrological sensors, EX rated phones, VSAT System, Microwave, Non-Directional Beacon, Accessories etc.,

## 14. Mechanical Seals

We offer wide range of Mechanical seals and accessories for all types of pumps according to customer's needs. We are updated with the configuration of each pump so that we could rightly supply the suitable pumps according to the requirement. Product range: Bellow seals, Multi Spring Seals, Single Spring Seals, Cartridge Seal, Agitator Mixer Seals , Split Seals, Slurry seals, Industrial Mechanical Seals and Accessories etc.,

## 15. Ropes, Wires

We stock & supply all kinds of rope , wires and accessories for onshore and offshore industries. Oil and Offshore ropes, cranes ropes, mining ropes, Elevator ropes, Fishing ropes, General Engineering ropes, Mooring ropes, Anchors and chains , Spring wire, ACSR wires, PC wires, Welding wire , Brush wire , Bright low relaxation (LRPC) strand, Galvanized LRPC strand, Aerial Copper Cable, Underground Optical Fiber Cables, Optical Fiber Cables and Accessories etc.,

## 16. Signboards & Artwork

We provide high-quality signboards and artwork for your project sites, enhancing safety and communication. Our solutions meet regulatory requirements and contribute to the visual aesthetics of your site while ensuring clarity and compliance.

## 17. Transport & Fabrication Services

We offer reliable transport and logistics services to ensure that equipment and materials reach your project site on time. With experience in managing logistics for remote and large-scale operations, we ensure your project's seamless execution from start to finish.

## 18. Onsite Fuel Refueling

Fuel management is a critical part of any project. We provide onsite fuel refueling services to keep your equipment and machinery operating without interruption. Our refueling services are efficient, reliable, and designed to meet the unique demands of your project.

## 19. Equipment Rental: Generators, Compressors, Fuel Tanks, Pumps, Lighting Towers (Solar, Diesel)

MARTEQ ENERGY offers flexible rental options for a wide variety of equipment, including generators, compressors, fuel tanks, pumps, and lighting towers (solar and diesel). Whether you need temporary or long-term solutions, we provide the right equipment tailored to your project needs.

# SUPPLY CHAIN, RENTAL & HIRE SERVICES

## Technical Partners

We collaborate with and supply a wide range of globally recognized brands to meet the diverse requirements of our clients across the oil & gas, energy, marine, and industrial sectors. Our extensive portfolio includes trusted names like Siemens, Emerson, Honeywell, Yokogawa, Rosemount, Fluke, Fisher, and many more, ensuring reliable, certified, and industry-compliant solutions

# SUPPLY CHAIN, RENTAL & HIRE SERVICES

***Why  
Partner with  
MARTEQ ENERGY  
for  
Supply Chain, Rental and Hiring services  
Solutions?***

- Comprehensive support for supply chain, logistics, and equipment rental needs.
- Access to a vast network of suppliers and industry partners for high-quality solutions.
- Tailored, customer-focused services to meet specific project requirements.
- Timely delivery of materials and specialized equipment rentals to minimize downtime.
- Commitment to innovation, safety, and sustainability aligned with industry standards.
- Reliable partner for both short-term projects and long-term operations.

Reach out to us to ensure the best solutions for your site
